Dr. Mitch Levine
Chair, Patented Medicine Prices Review Board
333 Laurier Street, Suite 1400
Ottawa, ON K1P 1C1

Dear Dr. Levine:

On behalf of Ipsen Biopharmaceuticals Canada Inc., we concur and agree with the comments brought forth by Innovative Medicines Canada with regards to the proposed changes to the PMPRB guidelines and strongly believe that the guidelines as currently proposed will have a significant and negative impact on patient access to new medicines in Canada.

Thank you for the time and opportunity to provide input in the PMPRB consultation process.

Sincerely,

Christine Mossa HBSoc., PMP, RAC
Director, Regulatory Affairs, Reimbursement & Value Access
